(Date)

My Beloved Judy,
Received two more small letters from you today, that were dated only 13th and 15th days previously. That's not bad and it makes me feel closer to you.

Sorry that I didn't receive your letter yet telling me, that it won't be necessary to inform my Mother of my location out in the late war. In fact I recently wrote her a letter that I'm in combat at the present time. The reason why I wrote it was because the letter that I've been receiving lately from my Mother seem as if she was more worried not knowing where I am.

By your letter darling, it seems as if you are becoming to be a real business woman taking charge of your firm. Glad that you enjoy and find the work interesting.

When I return, instead of me going in to the business I think, I'll put you there and I'll take care of the house work.

Any way dear it's a good experience for you, and you can still different people and see new faces daily.

Write your Mother a letter today, in reply to her's. Didn't say anything of importance, just thanked her for the cookies and kind suggestion of asking me what I'd like her to send me.

As another Saturday draws to a close and then I am next to you I'd hold you fast and whisper in your lovely ear that sweetheart I love you as always and miss you more so.

Good night darling
