My Dearest Judy,

you will have to excuse
my angry writing on why I

haven't heard from you. Today

I finally received your letter of
June 2. It was a lovely letter,

and I'm glad that you didn't
forget to write me. It was

hard for me to believe that
you ~~so~~ stopped writing me

everyday. I'm very glad

I was wrong. I didn't
receive a letter from you from
last Tuesday. If you didn't
write one day I guess I

can excuse you dear because

2

I realize you may be
busy sometimes also -

I received your Friday
letter today. The reason
why I didn't get it yesterday
was because you mailed
it from Long Beach. That's OK.

Did you have a
enjoyable week-end?

Dearest I just read
your June 2 letter over again
and I think it's one of the
warmest letters you sent
me. Let's have more of
them.

Don't answer that
sissy question on whether
you desire to have a
branch pin. You can expect
it in a special letter
I'm sending you.

I know you would like to wear such a pin. Am I right or wrong?

Honey, why don't you call up Marty's girl friend? I think it would be fine if you came down in July or early August. I complete my training around August 11. Then I may be shipped anywhere.

Dearest, if you plan on seeing me then I wouldn't wonder where I'll be in September. I don't want to be frightened you but facing the facts, there is a 50-50 chance of me going overseas after my training. Don't mention this to my mother.

4

That's why I would like
you to come down here.

I don't necessary mean
that I'll be in combat if
I should be shipped overseas.
But you see & dear, there
is a shortage of specialist
men in the field of wire
communication. I may
be needed to install
communications in now
high fighting areas. Do you
understand? I hope it
wasn't wrong of me to
inform of this fact. Don't
worry about it now.

If I should be shipped
to a nearer camp to New York
than I it means that I'll
be able to see you just
that must more.
