my reasest Judy, I read your letter today in Which you informed me of your Ulners Dear there was no need to get nemous because I mentioned I may go overseas I realise now that I made a terrible mistake of writing you the information of where I & maybe after I leave Camp Croft. I felt terrible to after I finished reading your letter. There wasn't any need to warmy as I stated in my letter, just because of the slight Possiblity of going over and second course it won the for some time to come you would like to know where I & be in deptember. In my oponion, and I may be wrong I felt it necessary to enlighten you of the quarters wice he as favas ? know I may even landup in heur your or heur Jersey On the shopped other hand I was may be shopped to the West Coast. my main reason for writing you of me going overseas was in the aiment I was, I would be shipped to an embarheation goint. Then I wouldn't be able to see you before departing from this country. Hargare I would like to see you here as I mentioned before cause a don't know where 9'll be after I leave the; Camp. I don't care how many gages it may tell take to tell you or repeat what I said before but I want to make

it clear to you that there is not anything to warry about new or later. when I said overseas I believe I made it clear that I will be going over for combat duty. It's afact thata soldies in a combat brands doesn't see action forat least a year and half. That due to the training t requires to give each soldier. how dear please understand that the changes of me going oversees after leaving Kore is slight. The reason why of told you was become of that the slight change. If that would happen as I doubt I wouldn't be able to see you for some time

how facing the facts clear me know that that injulie case he was in the army only three months and shen he when overseas. He proable wont he in action for quite soontine but he will writime his training in England just as in the Vnited States. Inthe event that should happents me at least I'll have the opportunity if you come down here, to see you. Then ma I may remain in the country as most fellows do to continue week week my training. I wasn't told I be going overseas after I complete my training here. I me other Boint Coming backto fulic. Som if I should be shipped over without feel worse than you would would be waiting for Septentier chan when it contos we may

Can you now understand why I told you that? The changes are louted of going over. I may be placed into the signal logs. our most libly into a newly formed rectment Don't warry please for me as well to every else including yourself I feel surd that everything is going to a turn out or just like everything has turned outfine for our before. Please let ne know. of the sadpart of to the letter. and final week of hasic training. It was tas bad as I expected. my class to is the first groupe to complète de course in jour got six weeks of basic. afellow who comes from the 32Bn. Shati where I was the first day I arrived here. He told me he has been on the rifle range for eightdays now. Instead of sleeping in a bivouse area near the range they hadto walk back and forth every day. They have to get up at 4! o clock every day. They are also getting 13 mecho of hasics. D guess I haven I any bich compared to the other fellows

CAMP CROFT Thanks for the tasty carrely which I received today Itwas much wiser to send he candy instead of salami. I get plenty to eat and the heat would only spoil the meat. Island that your mother is permitted you to come down hear. It will be very different for mets find sometime who is planning to come down from hem jork. I'll try my best dear. maybe something will develope. The boys are mailing for me so d'el unite. you another letter tomorou continuing where I left off leve Jake cove of yourself Bross will turn out fine I will you would feel de sane way about it.
