CAMP CROFT
SOUTH CAROLINA

June 30, 1943

My Dearest Judy,

We are starting on a night problem in a few minutes. It's now 5 o'clock and we fall out in formation at 5:10 o'clock. I don't know what time I'll be back but if I not back by 10 o'clock I won't be able to call you. I believe we are only going for a short hike and we will be back by 8 o'clock. I certainly hope so.

Received a letter from Aaron but all he says is that he is keep very busy and he's going through hell.

Very glad to hear that you are willing to visit me under all circumstances. Dearest as each

day passes a ~~in~~ sure of 2
getting a furlough.

Thursday

Came back from the hike at 8:15 o'clock.
I then placed my telephone call. I
had to come back to the barracks to
clean my rifle. The operator said
the call would take from 1 to 2
hours. So I figured I drop back
in the recreation hall in one hour. Well
I got back I found out my call
was going through but since I
wasn't there I called the operator
and asked her to place the call
again. ~~she~~ ~~to~~ ~~did~~

Glad I was able to talk
to you and my mother,

I realized that I might
have confused you about
the furlough but I ~~try~~ tried to
explain it to you as simple as
possible.

I just you brought the
tickets and since you can get
a refund then it's fine.

at first I told you I would like you to come down here even if I get my furlough. At that time I wasn't as sure as I am now and second and most important reason is that if when I go home in the later part of August I would like to be with you all day.

If you take your vacation in July do you think you could take off a few days in August?

Another reason was ~~because~~ in the event your mother had to make the trip.

I didn't change my mind about wanting you to come down here. I only felt that it would be easier for you and my mother if I ~~would~~ came ^{home} out instead of you coming down here.

Since it now looks possible that 4
I will be home so I asked to wait.

I'm keep busy with made up
class on Monday and Tuesday evening
Wednesday is problem night. Thursday free
Friday - 7 hour show - Saturday we
now have retreat, that's a dress
parade around 5:30 clock. I'm
free around 6's clock. Sunday free.

It's hard to tell what going
to happen the week you are planning
on visiting me - I may be free
every evening and then I may
be occupied. All this must be
very confusing to you.

One thing I know if
I get my furlough is that when I'm
home I'll be free all the time.
From what I'm informed
by the non cons I'll get a five
day furlough plus traveling time. That
means I be home for at least five
days. If my furlough should start
on a Monday, then I can start home
Saturday evening plus giving me a extra
