Dearest Judy, dear,

Received your letter with the kiss on the paper. It sure makes me feel good to look at it because it reminds me of your lovely lips and all the times I have my lips pressed against yours. Naturally I always kiss my pillow every night and think of you but seeing the imprint of your lips adds something to my feeling.

Glad my mother was thrilled by my phone call plus you enjoyed listening to my voice as much as I did yours.

I'll let you know by July 21st the situation on my furlough.

I always had some question to ask you but when it came to writing you I forgot the question.

you answered the question for  
me today. It was the number you  
placed in the upper right hand corner.

Your sister wrote me a  
very nice letter thanking me  
for the congratulations.

We are having a  
little ~~arg~~ argument of over  
the Civil War. North ~~vs~~  
vs vs South. I'll have  
to step in soon.

Its pretty late now  
and before the lights go out  
I want to close this letter,  
with a good night hug and  
kiss and the words I love you.

 PILLOW  
KISS TO YOU DEAREST

Ben
