CAMP CROFT  
SOUTH CAROLINA

July 12, 1943

Dearest, Sweetheart, Judy,

Today I started on my  
pole climbing. While at first it's  
a little difficult after some  
practice it probably will be  
easy.

I haven't forgotten about  
the recording of <sup>my</sup> voice that I  
promised to send you. at my  
first opportunity I ~~have~~ have  
one made and send it to you.

I usually go to make up  
class in code on this evening but  
I've been informed that I don't  
have to go. Only two fellows  
have to go tonight.

I'm glad that I'll have  
tonight free because I have  
to take a hair cut and buy  
some small items at the P.K.

Before I'll know it, it  
will be your birthday. Is there  
anything that you would like to  
have. It's very hard for me  
to go shopping and if I had a  
good idea of what ~~or~~ you wanted  
or needed it would be much  
easier for me. Better answer  
immediately.

I would like to call you  
up on Wednesday evening but since  
I'll be on K.P. I won't have the  
time. I'll try and call you  
up tomorrow (Tuesday) I'm  
going to tell the operator to  
reverse the charges. I should  
have told you long ago but  
it always slipped my mind.  
If I call you telling the operator  
to ~~reverse~~ reverse the charges  
and you are not home  
than don't expect the call.

It's much cheaper by calling  
you station to station but  
I always called you Person to  
person because I wanted to

CAMP CROFT

be sure I would talk to  
you darling.

from now on I'll  
notify you way in advance  
when I'll call. ~~In fact~~ In fact  
I would even like to make  
a set date every week or every  
other week, the only trouble  
is that I'm not sure that I'll  
be free Thursday evening is  
about the best evening for me.  
are you home during the  
week? ~~If it's agreeable to~~  
The <sup>main</sup> reason why I want to  
call you up tomorrow is  
because I didn't write  
you on Friday and Saturday  
and you may worry.

That all dearest so  
until tomorrow dear I close  
with oceans of love and a  
kiss on every drop (of water)
