Deary Beloved

You make me feel very good by telling me how much you enjoyed the flowers. I figured you would appreciate them and since I was ~~got~~ <sup>a</sup> always gotten you flowers on your birthday I felt that even though we may be separated it wasn't a reason

for not sending them  
to you this time.

Darling I don't  
know why you seemed  
to get ~~the~~ expression I  
didn't want to call  
you Monday night.  
What difference would  
it make. none.

~~I tried~~ I would  
have phoned you  
had it been possible.

Don't be silly and  
think I didn't want  
to call you.

You call last night  
only took about 3 minutes  
which is some difference

from the usually one  
to two hours wait.

Sweet if I get your  
roll of film by Saturday  
I'll probably take pictures  
on Sunday. It will  
take about one week  
before I get the films  
developed so kindly  
be ~~patient~~ at ease until  
I send you the pictures.

I'm at the USO  
where I made your  
call this evening. I think

4  
that that's another reason  
why I got connected to  
you so quickly. I rushed  
in here from camp as  
soon as possible. I have  
a few letters to write  
and I find this place the  
best place to write letters.  
It was quite until  
now but the orchestra  
is now playing.

This morning for  
the first time I'm in  
the Army I was able to  
sleep to 7 1/2 clock on a  
week-day. Last night  
we are hike we (battalion)  
got lose and until we

got are leaving it  
took some time we  
got back at 11 o'clock at  
night. It felt good  
to sleep until 7 o'clock  
in the morning once  
again on a week-day.

As I've been writing  
every body this evening  
it won't be long before  
I complete my training  
here. Figuring this week  
to be over I only have  
another two weeks
