To my Darling Dearest,
I finished with an
usual Friday night
floor show and I
cleaned all of my G.I.
equipment for tomorrow's
inspection.

Received ^{today} the roll
of film that you sent me.

Thanks dear, for getting
me the film. This Sunday
I'll take the pictures
at the USO in Spartenburg.

Don't trouble with trying to buy another roll of film. I think that the one roll you sent me will be enough.

In reply to your question on the weather don't here I'm glad to say that it has been much cooler compared to the heat wave we had the same time the 18 or 19 day heat wave hit New York.

~~Today it has been~~
~~especially~~

Today I had a very easy afternoon.

my class when up to the main switchboards in Camp Croft. We were explained about commercial lines.

When I called you told me you didn't receive any mail from you on that day. Did you get two letters the next day?

Let me know how much the telephone call cost that I put through cost you.

Sweetheart that's all
the time I have for
now

So I'll close with
all my love and kisses.

Ben.
