August 1, 1943

my Dearest Beloved Judy,
Once again I'm at the
USO, in town.

All prepared to take
pictures but guess what,
the camera isn't here. Somebody
has borrowed the camera
for the day. They have another
camera here but it requires
a different type of film. I
went to the drug store
but they didn't have
the number I wanted. They
had Agfa PB20 which is

the same as the Kodak 0620 2
so I brought another roll of
film. I hope the camera is
returned soon so I can take
some pictures. I do have
a picture of myself which
I'm enclosing. It was
taken here last week.

Someone who I asked took
a picture of me. Going to
have copies made from
the negative so I can
send one to my mother
and other people.

make a recording
of voice for my nephew
George. The records
came out a little better
than the one I sent you
since I wasn't nervous
this time.

Last night I went to
 the ~~cut~~ movie and saw
 two pictures. One was a
 western picture. Today the
~~cut~~ movie is showing a
 good picture. Her's to
 Hold ~~cut~~ I figure I won't
 be seeing it.

at the V.S.O, they are
 going to show China Girl
 you remember I saw it
 at the Paramount with
 when they had Harry James
 on the stage. It was
 about a week before

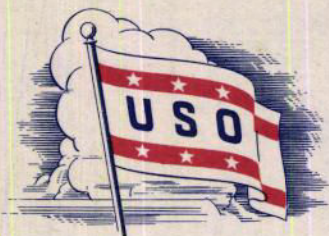

entered the Army

Received the letter I should have received yesterday, today I hope I'll be able to hear your father over the radio. It would will be thrilling to hear somebody voice that I know, over the radio.

Glad to hear that Howie finally got a furlough. How many days will he be in New York?

The picture I'm sending of my self isn't a good picture but I realize you want a picture of me so I'm sending it.

The camera was a small Target Brownie. I believe the camera is like the one your sister has.

The scene is the back
lawn of the USO.

Getting back again
to the USO and movie. I don't
think I remain here this
evening because I saw
the picture and tomorrow
I'm tablewaiter which
means I have to get up
a ~~little~~ early.

Darling had a taste
of your delicious candy
last night and it sure
was good. The pieces
with the nuts and fudge
was the best candy I
