my Beloved Judy,

I'm at the Service Club again. The reason is that there's a weekly variety show. Fred Wainings is expected to be here but I don't ^{know} ~~don't~~ if he is because the show is taking place in the new amphitheatre and I'm in the Service Club. I want to write you today's letter before seeing the show.

met Kalman Scheider at one of the writing tables so we were talking for about one hour.

no, I didn't have to
go on the bike tonight
but to my misfortune I wasn't
so lucky because the fellows
got off from 2:30 o'clock today
and the bike was called off
for some unknown reason. It's
the first time the boys were
off so early. We may be
in for a surprise tomorrow
it sounds to good that they
got off today.

Received both your Sunday
and lonely Monday letters.

Don't have to much
time dear so I'll be
brief tonight.

I have the pictures
that I took on Sunday.

Enclosing some of them,
the others I'm going to send
to my mother.

The best ones I'm
going to have reprints made
I received ~~of~~ duplicates of
two pictures. Don't worry.
all the pictures were
taken at the V.I.O.

The picture of me
hanging on to the poles
supposed to represent the pole
climbing I do in the field.
which picture do you
think is the best? (if any)

There are a few topics
I want to answer from your
Monday letter but I hope
you don't mind honey
if I leave it for tomorrow.

after spending all day on
K.P. I do think you can
understand.

That's all for now
sweet.

I love you with
all my heart.

~~Yours~~

Ben Cox
