Saturday

my Beloved Judy,
Another Saturday is here
and another week has passed
by.

I'm now at the USO.
Charlie, Marty and I came
into town. Charlie's girlfriend
is coming down here tomorrow.
They are planning on getting
married. Marty and Charlie
went to look at a room
where his future wife
will stay. Till they come
back I'll write this

is my last week. end in town. next week we will be on manures and when we come back we are due for shipment.

Glad you enjoyed reading the letters I wrote out in the field. I want you to know now, that I meant every word I wrote, (as if you didn't see)

Tomorrow I'll re-read all your letters of the week and answer any question I may have forgotten in this letter.

I'll buy the pen clanking and mail it to you. Take care of it tonight if stores are still open.

That about concludes
 all the news for the this
 evening so as I leave
 you on this night I'll
 close with my usually
 Saturday night hug and
 extra long kiss when my
 head is pressed against
 yours I'll whisper in
 your lovely ear,

I love you dearly
 Then another kiss and depart.
 Back again, for another
 kiss and tell you

how much I love you.

Good night sweetheart,

KISS . PROSE KISS
I
KISS

Ben
