My Deary Beloved Judy,
I didn't write you in two days because so far nothing new has developed and I've been on K.P. ☺

Enjoyed my first day of K.P. so much that I volunteered for it yesterday. I no it seems strange but the reason for it was that I had excellent chow, little work, and it gave me a opportunity to speak to the crew which I found interesting since they come from are English.

Expect to reach port either tonight or early tomorrow morning. When we disembark we possible go on a train ride to reach camp. This letters that I'm now writing maybe mailed from the when I reach port, at least I hope so. ~

Last night I was talking with ~~the~~ a young fellow from Texas. The conversation was just on his wife and you dearest. We talked for about five hours covering everything from when we to both meet the sweetest girls until the present. Even the prom night and Coney Island were one of the sub-topics. With all my love,
