My B slowed Judy
Arrived yesterday at my new camp but was unable to write due to fact it was late in the day.

The traveling trip from my other camp to this was one was nice. To my surprise, expecting to see desert country I turned out to be some beautiful country land. I could hardly believe that north Africa has such nice land. The train stopped often and at each station we talked to the French and native people. Passed many ~~French~~ who were going to where we just been. At one station a troop train of ~~French~~ was opposite our train they gave us wine and we gave them cigarettes and biscuits.

The camp that I'm at now is nicer than the ones I came from. We have tents, but much more room and soft beds. The food is good and plenty. Have alot to tell you so I'll write a letter tonight or tomorrow. Hope you receive this letter soon.

Alfmy love
Ben
