My sweet Judy
Received your letter of Oct 10 & today also a letter
each from Carol Julia Sam, my sister and mother. The
other letter which dated around Oct 10th also with the
exception of my sister which was a U mail dated Oct 30th
Julia's letter was dated Sept 21 and with Sam's they were
addressed by eight lines were the first letter I received
being dated may lead to Camp Elbert. It's funny but
when I receive a letter from the boys they always
seem to come together. Sam says to the dating first.
Hei at the the Allah, it must be either a college
or university. Julia with the same type letter and
Sam with the next usual.

I'm writing small and do hope you will be
able to read this letter. It better that I use U mail
because it's really, unless you sooner

Hasn't come across any father by the name of
Hank Walden. There are still a few fellows from
my former camp. None most of them the fellows are
at a different place. I've met several others by the
way he's probably is finished.

Yes dear with I receive the U mail letters to
in a notebook copy.

I managed to be one of the early customers at the
and I was able to pipe for my self a smoking pipe
I'm being because I felt like that from an thing it
often so I'll have a hand on it and wash it in
gully.

The year is rising that small and I don't know
to main address that former tomorrow. With you I had
and he's just off. (Signed)
