To my dearest beloved Judy
you will have to excuse me from not
writing you for the past few days but honestly
dear I was unable to. From now on I may not
be able to write you as often as I'd like to which
is every day but I hope that you can understand
that it's not because I don't want to but because
I probably won't have the time to. Hope that you
will continue to write me just the same as
often as you have.

Again you probably can see by my address
that I moved. yes least I have and no doubt in a
few days I'll still have another address which
should be my permanent address.

I sent you a greeting, cablegram today
even though it's a little early but I figured it was a
good time since I haven't written you so it
will let you know that all is well.

Last night while it may seem strange to you
what I saw a 250 shew in camp and I wasn't able to
write you. Please try to understand what's out I didn't have
the stationery in which to write
one of the best camp shews I've seen.
The shew was with which much and it was
with all my love and kisses I have for today.
