My Darling Judy

Today I received one more letter from you. It was a v-mail dated Nov 19.

You mention about being disappointed because you haven't heard from me in three days.

Dearest, <sup>don't</sup> get disappointed or worry because no doubt you received a few letters from me the following day.

How did you like the show "Sonnen the Wald"? I'd bet that it was a good show.

I think that your best bet for making me letters from the States is air mail. I believe that it's quicker than regular but after I start receiving mail from you using this address I'll be in a better position to inform you.

I would be using regular mail, as you do this, but I only have a limited supply, therefore I use v-mail. No don't send me stationary dear because by the time you receive this letter I may be able to obtain stationary.

As I'm nearing the end of this shirt and the day is coming to a finish I'd like to sweeten it with all my love and my good night kiss which I shall again give you in a few minutes.
