I must Judy
After receiving all those letters from you yesterday, I guess I'll have to wait another week before I receive another stack. answered all your letters in a ten page letter that I've written yesterday.

As I wrote you yesterday I was very pleased to receive all these lovely letters from you and to learn that another package containing a soap and Bostons localities are on their way. Thanks again.

Since you need a new request each time you send me a package, I'll like to have some delicious chocolate, candy, Bostons or any other that you feel I'll like. It to admit the only item I desire but to be safe since you may have some other items you like to send me, I'll request foodstuffs. That gives you a large selection taking in mostly everything. I could use stationery also something compact if possible. Making it doesn't have to be fancy, just some paper and envelopes that are reasonable.

Just handed the yesterday Stars and Stripes with headline of Rome Nazi Rear Threatened as Fifth Extends Beachhead, it seems as if we really took them by surprise as enemy resistance is weak. I wish I was on that invasion also so I'll be able to be in Rome shortly. News can tell there a good change of us boys getting up that far soon.

I'm feeling fine and I hope all is well with you and family.

With all my love and kisses
Ben
