My Dearest Ben

Just received two more nice letters from you dear one a ~~mail~~ dated Jan 20th and the other a ~~mail~~ dated Feb 1st

Didn't receive yet the letter with a calendar enclosed but eventually I'll probably get it.

Thank your sister for the enclosed cartoons as I enjoy every one of them.

Yes dear I remember the time that we went over to Betty's house and it took them a long time to answer the door. Surprised her mother, rang the bell instead of using the key, then what? What do they do anyway? Don't mind my ignorance just as if I don't no.

Just noticed that after your number of the letter on top you have a B after it. What does that mean. Something new has been added.

There hasn't been any changes up here dear, every thing remains the same and my health is fine.

Wish I receive soon so of those packages you been writing me about

I have two (2) Ph Honey bars waiting for me at the switchboard for my train. That's part of the letter. Don't have don't get often.

With all my love
Ben
