My Dearest Sweet heart

Today I received a old v-mail letter from you that really did quite a lot of traveling because it was mislaid to a different A.P.O. number, but it finally fell into the proper hands. It was dated Nov 36, by that time certainly is a long time ago but as you would say I was glad to receive it since regardless how old the letter was because I haven't read it previously. Also from you dear, your very sweet and lovely card showing and expressing your irresistible feelings about me. Darling I don't have any cards that I can send you but I won't hesitate to write you that I feel the same, why ever you

From my mother I received today another package containing candy. There are two large bars of Hershey's chocolate and small pieces of chocolate biscuits various other kinds of candy. I'm waiting impatiently for your package, which are on the way and I believe that they will reach me shortly.

When writing me letters darling you might as well use a regular 34 stamp instead of air mail because I believe that they both come by the same route and same means of transportation. V-mail is quicker but I don't mind waiting a few extra days for a so regular letter from you.

My BC (letter commander) just gave me the Jan & Feb editions of the magazine "My Saturday Evening Post". He got a few magazines of that type and in a number of cases he gives me the magazine after he finishes reading it.

Ben sending you a few regular letters so if you receive this letter and not the ones before it don't worry as they are on their way another way that you can miss my dearest love and kisses - Ben
