1) dearest sweetheart,

Writing you yesterday of not receiving any regular letters and today I received a air mail letter dated Feb. 14th

I was surprised when I heard over the radio last night that they mentioned the start of the new attack on this section. Everything is going along fine and I hope its all a success. Some fellows just came in and I'm listening to some excellent news which you probably will be hearing over your radio this evening.

Today we went to take a steaming hot shower and it certainly was good. Received clean clothing in exchange for the clothing I was wearing.

Last night we received a couple additional P.K. items and it was the most candy we received at one time. Today I received another bottle of coke and there is a rumor that it won't be long before the boys will be getting one bottle of beer each week.

I hate about all the news there is to report for today. Yesterday I sent you a air mail plus last Saturday and Sunday so possible you won't be receiving much mail. With this ~~all~~ all my love to you

Shaking yours, Art
