My Dearest Beloved Judy,

Received two more mail letters from you dated March 7th and 9th.

yes dear, I wrote you while I was on my feet but the letters taken through different channels but by now you must have received them.

Very nice of your Mother's organization to give to the Russian to give relief because these people can really use the items and they certainly deserve them.

Don't worry dear I believe you sent me the packages but perhaps one of the postal clerks stuck his nose into it and seeing how nice it is decided to keep it for himself but I doubt if that happened. Someday they will arrive.

The Air Corps is doing a nice job with their bombing unit as I have mentioned before it's going to the UK the work of the dough boy, that finally seems to be about over. Mother's heating, hee hee but I hope by now is all cured.

Seems as if you have to pay a high income tax but I don't see why you don't have a good idea of where all your money goes. What do you do with it all?

While for another letter from you tomorrow I'll close this one for today. With flames of love and kisses for each year.  
Ben
