My dearest Judy

As the proverb goes "better late than never" and that how I feel about you. I mail letter that dated Nov-22nd. The reason for the long delay was due to the fact that it was misrout to two wrong APO numbers.

Another I mail letter also arrived which in keeping up with the latest event, was dated March 6th.

Seems as if your boss is always going to some show and send you. mainly in charge you better ask for a raise soon.

From my cousin Harry I received a answer to the letter I write him and he writes that he now is in combat and was writing from his fox hole and I can actually picture him since he is in the Infantry. Hope he gets through.
OK.

Read two more short books today. 'Sabotage' and The Incredible Tito, which make clear the Yugoslavian situation.

Every thing remains to be the same with me, and I'm feeling good and hope all is well with you, darling and family.

Write you regular letters just as usual my love start.

Closing now with all my love & kisses
Ben
