My Beloved Judy,

Received your letter of March 12th informing me of the letter you received from Aaron in which he finally writes a little in detail, and that you paid your income tax.

I also received a letter from Sam Schreter who told you was attending a ASTP. Now he also writes me about the break down which after he finishes this term he swears will go into the Infantry. I just can't see it. How can they take a fellow who the army has sent to college and they then ship him into a Infantry outfit. True the Infantry needs good men with a clear brain but for example Sam he has been studying a specialized course therefore I doubt if the Army will send him and the rest into the Infantry. Oh well time will tell!

Expect to be busy tomorrow day so once again I'm unable to write you but at my first change, I'll write you.

Been looking forward into meeting my cousin Harry and I have a funny notion that it won't be long before that meeting takes place. I may be wrong but I'll write you the developments.

With mountains of love and a kiss for every inch I love you sweetheart
KISS KISS BOY
