My Dearest Judy,  
Today I'm spending a nice restful day in camp. We had a parade during the early part of the afternoon, then later I was playing volleyball. It appears as if that game is now being widely played as I can note a large number of volleyball courts at different bivouac areas. One of the main reasons why is good is because it doesn't require as much sporting equipment as basketball.

How come only a few of your girl friends desire to take a room at Long Beach? Don't you need more than four of your girl friends to rent a room? or do you intend renting a small room. If you want to rent a room out there why didn't you start looking a few weeks earlier instead of waiting until the last minute. Any way I hope you will be able to find something.

I received your e-mail letter of March 24th giving me the above information.

Darling I realize that the news from the front isn't to bright but I'm unharmed and in the best of health. Don't worry and don't work too hard.

Good night dearest

all my loves kisses  
Ben
