(Sender's complete address above)

hello sweetheart,

Another day is passing without a regular letter from you dear, but I did receive your fine and thoughtful candy letter. Thanks for the delicious candy but the only trouble is that I don't think the package came first class as you did place the required amount of stamps. I suggest that you send the package second class as it's much cheaper and it will arrive at the same time.

Your letter of March 5th the same day you sent the little package, arrived a long time ago if you remember me writing you about it.

No new developments has taken place as everything remains about the same as I've been writing you.

It can now be told just as if you didn't have general idea that I was up by lessons. The che equine I had was the one I wrote you Mother about. Besides that one time dear I didn't have any che calls.

Until tomorrow darling, I'll close with a good night kiss and all my love --
Ben
