SEE INSTRUCTION NO. 2

My Beloved Jack

Was especially surprised that I didn't get a letter from you today and I believe its about the longest period of time that has elapsed since your mail had been coming in regularly through one of these days. I wish it will arrive to make up for it.

There isn't anything in the line of entertainment today but tomorrow should make up for it as in the afternoon the Red Cross will be around with their donuts, and I not sure but I think a show and in the evening there is going to be another movie.

Another package from my mother arrived today and in it was the first roll of film that I've received now I only need is the camera which I hope arrives soon.

I'm going to try and see if I can't go to the rest center where I was when I bought all the gifts for home. If I get the opportunity it will be like before for five days.

Did you ever received that telegram? I guess not. I'll send you another telegram if I attend the rest center which I hope you will receive with oceans of love and a big kiss every way and I love you sweetheart
