My Dearest Judy,

I'm now in bed writing you today's letter before I retire for the day.

No mail came today, but I did receive that long awaited package containing the camera. Yop, it finally arrived and now I'll be able to take a few snapshots which I intend doing tomorrow. As quick as the pictures are developed I'll be sending them along to you. The package was well wrapped thereby not causing any damage to the camera. Did you see the camera? It appears to be a good one and the results of the pictures should be fine, that's if I don't damage the camera when it's taking my picture.

Could have gone to see a movie this evening but I wasn't in the mood for seeing one tonight.

It's time for a little shut eye, darling therefore I'll now close with a good night kiss and pleasant dreams as I'll be dreaming of you, always,
Victor Ben
