My beloved Judy
I shall start the letter off with a request,
therefore you will be gratified from the
beginning to the end of the letter.

I request anything you desire to send me
as I know it will be good. Candy, foodstuff
or any other item.

The 6 mail letters from you today dear,
dated April 20 & 21st

What makes you say that I'll have to
break in the latest pipe you sent me. Darling
just recently I've finally done that to the first
pipe and really enjoy it smoking it now therefore
I think I'll hold on to this other lovely pipe until
a later date. I must admit that I prefer your
later pipe better but since the other one is lovely
to I'd just use for the present, the first pipe I
received from you darling.

I liked that my sister invited you out
to Pennsauken to spend a Sunday with them.
Do you intend going? Now that summer is
rolling around you possible would enjoy
long beach to a day in Jersey and I don't blame
you, if you feel that way.

Do you mind so much if I buy you some
souvenirs from Italy?

Closing with letters of love and a big
kiss for each one I sent you. Good night
Sweetheart

Bern
