My Dearest Beloved sweetheart

Today I have been busy and tomorrow - I expect to be busier therefore darling I may not be able to write but as soon as I can I don't even have to tell you that I'll write.

I received a lovely worded R-A cablegram from you today. You must have sent it some time ago because it first has my older address on it. The address from my last replacement depot. I don't understand but by the date it appears as if you sent the cablegram sometimes in March.

Also received a mail letter from you dated April 35th that the date a year ago I was inducted in the Army. Thanks for the cablegram.

I enjoyed the movie picture "A Guy Named Joe" and I must have just forgotten to mention that I thought it was one of the best pictures I've seen over here.

As we know all nice things have to come to an end sooner or later and that just the way it is with me at present but darling I feel that with your prayers everything is going to turn out for the best, and in the end it means returning to you sooner.

Remember that I think the world of you. Love you with all my heart and will forever. years a'way.
Don't work hard and
keep you beautiful & clean up
