My Dearest Judy,
Your comical birthday card came today
dead and it certainly is a large ^{size} greeting, but
the part I enjoyed most was your few
sentimental words. Thanks darling.

Another letter came from Julie Wolfeld
and about the only news is that Stanley's outfit
was in the final account of it so, therefore Stanley
must be in France.

Last night I saw the entertaining movie
picture "Lost Angel" It really was good.

Snapped another reel of film and mailed
it in already to special service. This time the
pictures except two were taken on the beach.
The first other fellow that you will see when
you get the picture is a new John from Long
Island etc named Lee. In the majority of pictures
I attempted to imitate the shot, my remembering
the instructions I gave you on taking better
pictures. You shall see just if my hints were
to any advantage. Lots love always

Love you tremendously
and always thinking
of you
Ben Segan
