My Beloved Judy,

Three more V mail letters from you came today. They were dated July 19, 20, 21st and they are part that were forwarded to the hospital. Won't surprise me if I have more letters, at this late stage that will be returning from the hospital.

Surprising that Zelda intends to become engaged to the Hebrew teacher because I remember you telling me about him and her feelings thought him. Possible that affection has changed but I'm inclined to think it's something more deeper, in mind than that. I think this fellow teacher at the same college my cousin attends, located near the George Washington High School. Even with the large proportion of men in the services, it seems as if the girls are still able to maneuver around.

I felt like walking out on the movie I saw last night titled "Ladies Campaign" it was terrible.

All my love to you
Lovingly
Judith
