My Darling Judy,

Received a letter from Aaron telling me that he is heading for overseas at the time of writing the letter he must have been at the P.O.E. because his letter was censored.

Just like you write me saying I should write Aaron, he wrote me stating that he's written you two letters without an answer. Let's get on the wall.

Your v mail letter of Aug 8, arrived today and I'm sorry you don't remember when I saw Fred. Mends even though I didn't expect you to since it was so long ago. Anyway, darling it was at the replacement depot when I first entered Italy. Possible now you aren't so puzzled.

Went for a short swim today and then a good clean shower. Boy, but it was good. In fact, regardless if I go swimming every day or not I take a shower.

All my love and kisses darling  
I love you tremendously
