It's getting dark out now and  
since we only use a minimum  
amount of light since we ~~so~~ still  
have blackout over here I'll  
say good night and think I'll go to  
sleep thinking of you. I now have  
a cat to sleep on which I obtained  
when ~~coming off~~ <sup>debarking from</sup> the boat entrance.  
The Army cat is issued only to the  
first three grades, that those above  
such sergeant and officers but I  
obtained mine from one of the Navy  
boys. There are a number of new  
fellows of the fact that I have a cat.

Good night Sweetheart I  
miss you very much and love  
you with all my heart,  
Love's kisses

My Beloved Judy,

Three more letters that were  
sent to the hospital returned to me  
today and I was very pleased  
to get them especially since two of  
the letters contained snapshots of yourself.  
The letters were dated July  
12<sup>th</sup> 13<sup>th</sup> and 17<sup>th</sup>.

Without hesitation it's my  
opinion that one of the best pictures  
that you have taken was one I  
received today. It the one with  
just a clear background of sand  
and you looking beautiful as ever.  
It's surprising that the picture came  
out so excellent with a ordinary  
camera but I think the camera is a  
different one than you usually used.

doesn't look as if he most  
likely will win. I believe he to  
win will be election and I feel  
dark days will occur during the  
reconstruction period if he isn't.  
The majority of soldiers are for Roosevelt.

Mother seems to be very concerned  
and worried about my health since  
I was in a hospital but honestly  
during I wish you would ease  
her mind by telling her I'm  
feeling fine and I'm in the best of  
health again which she can hardly  
believe, but it's the truth.

I was so engrossed with your  
excellent photographs I forgot to  
mention before that the other  
three pictures are good and I  
love to receive them. Thank  
you for sending them to me.

That picture certainly shows 2  
you in your true colors, do you  
intend having it enlarged? I doubt  
if Foster will be able to snap a better picture  
of you. The word Roger in radio means  
either just R or when a operator receives  
a message he would say Roger  
meaning that he received the message.  
This Roger also means received.  
Understand?

Haven't received your second birthday  
gift yet but I reckon it will arrive  
one of these days. Thanks very much for  
it, as I'm not suppose to know  
what it is. Yes I have a slight  
idea of what it is as you actually  
told me.

Glad to hear that Sylvia got herself  
a fine job and it carrying a good salary.  
I have my doubts about Roosevelt  
being elected again. It's going to be  
close in my opinion and it
