(Date)

my Dearest Judy,

Received a U mail letter from you today dated Aug 15th and I see you hit the 64 dollar question on the reason of my APO address but only dear I wasn't there the day you wrote the letter I received from you today as you might know from later letters you should have received from me.

The surprising news of the day was a letter from Julie Wohlfeld informing me that he is now in France. At his writing he thought I was still in Italy thus he would arrive to our rendezvous - Berlin I'm on his toes if not way ahead of him.

I doubt very much if we will be able to meet each other over here in France since we are so separated but sometimes the unbelievable happens.

Didn't write you yesterday dear, because I was on a all night and part of the day traveling. Closing with all the love in my heart
Ben

- (1) Write the entire message plainly on the other side within marginal lines.
(2) PRINT the name and address in the two panels provided. Addresses to members of the Armed Forces should include rank or rating of the addressee, unit to which attached, and APO or Naval address.
(3) Fold, seal, and deposit in any post office letter drop or street letter box.
(4) Enclosures must not be placed in this envelope and a separate V-Mail letter must be sent if you desire to write more than one sheet.
(5) V-Mail letters may be sent free of postage by members of the Armed Forces. When sent by others postage must be prepaid at domestic rates (3c ordinary mail, 6c if air mail is desired).

INSTRUCTIONS

V-Mail Service provides the most expeditious dispatch and reduces the weight of mail to and from personnel of our Armed Forces outside the continental United States. When addressed to points where micro-film equipment is operated, a miniature photographic negative of the message will be made and sent by the most expeditious transportation available for reproduction and delivery. The original message will be destroyed after the reproduction has been delivered. Messages addressed to or from points where micro-film equipment is not operated will be transmitted in their original form by the most expeditious means available.
