My Dearest Judy,

It arrived two more letters from darling each
V mail dated Oct 4 and 5th.

So Home is on his way across one lucky
point is that he will be headed for the European
instead of operation and not the South Pacific. My
new signa probably heard from Home, if not
she shouldn't worry as the first letter she will
receive will require between four to five weeks.

Can't completely comprehend why you were
glad to receive my puzzling letter as you can't
understand and, if you were to write me something
similar I myself probably wouldn't be able to
understand the statement. Before this war is over or
over after I'll be in Germany to consider to
complete the job. Now reread the letter of Oct 5th and
see if you can figure it out.

In the future I'll either make my self
clear, if its possible due to censorship, or not use
with a confusing statement at all.
The weather report, rain, rain and still
more rain

I love you sweetheart
with all my heart
and my love Ben
