My Deary Beloved Sweetheart,

There wasn't any mail from you today dear but nevertheless my memory of the past Saturday hasn't failed me.

I received a package from Mother that arrived in good time taking only a few days more than one month. I believe that's the quickest time that I received a package.

Did you ever mention to Mike that you mailed me Bobi Hope book, because I received another copy in yesterdays package.

I wouldn't regret it cause  
the picture being shown was  
one of those real western novels  
with cowboys and bandits. The  
last time I can remember  
seeing such a picture <sup>was</sup> when I  
use to go to the Audubon Theatre on  
Saturday afternoons.

This finishes the last of this  
special stationary as I'm unable  
to buy any more at present.  
When I have the opportunity I  
will try and buy more of the  
same type or as the case will  
pissible be, I'll have to accept  
any kind of stationary that the storekeeper  
may have.

Darling in saying good  
night I'll whisper that I love you  
very very much and think about  
you constantly.

Forever yours  
Ben

The bottle of lemon flavor  
crystals you sent me came in  
very handy because during  
the past few days, once a day  
we been served tea instead of  
coffee and I placed a dash of  
the lemon powder into the tea and  
the taste is the same as if I  
was to use a fresh lemon.  
The other fellows I offered the  
lemon eye crystals to, also enjoyed  
it.

Motion pictures are being  
established again and I went  
today and it turned out  
to be miserable. First we  
arrived one hour late but
