My dearest Judy,  
Another 21<sup>st</sup> of the month in which two of  
three 21<sup>st</sup> of the month mean more to each  
of us than just another day. But this month  
isn't one of them.

I opened your box of chocolate last  
night honey and was delighted that you  
followed my suggestion in selecting your  
own assortment, and in all things you do,  
you selected a grand selection, just the type of  
chocolate I rave about. The one box containing  
the cherries and fancy nut chocolate I felt  
was for my personal consumption and the  
other box which was also delicious I offered  
the fellows. Usually when I pass the box around  
it's empty when it's returned to me but because  
the box of nuts are small pieces I still had a  
few pieces of those to eat myself. That's exactly  
the type of assortment I greatly enjoy and everybody  
appreciate. Thanks again darling. No mail today  
all my love and kisses
