My Dearest Judy,
after writing regular letters for about a week, I decided to write you a V mail. There wasn't any mail from you today dear. When the movies early this evening to see the carry picture "Submarine Base". I also saw the excellent realistic picture of the "Lusitana Campaign". There also was a newsreel and the pictures were all about the liberation of Rome. The the for the majority of fellows seeing that news reel because it was thrilling seeing it in newsreel, the same panorama I once saw with my own eyes.

I saw all air force boys in action today. Being around in the skies then diving down, strafing and bombing every target, that I was unable to see but the planes looked and maneuvered with plenty of confidence. I think they did a good job. Mountains of love and a kiss for every peak.
all my love
Ben
