SEE INSTRUCTION NO. 2

Nov 21, 1944

My beloved Judy,

Things are beginning to happen again, which I feel it going to keep my mind well occupied, like it did during the month of September. I'll continue to write you daily, if it is at all possible.

What I told you some time ago about the possible surprise, something to do in the rendezvous with Julie & oldfield I think its doing to materialize this time.

All the allies arms are breaking with German losses with eyes of them already fighting with German power as you are well aware in your reading of the news papers.

Perhaps the war will end before the year is finished even though I personally thought we would be bogged down for the winter, the situation looks different.

I love you darling
Ben Segon
