Hello my love

Monday
Nov 27, 1944

Well here it is again, this time the final day of my three day rest period. The time has gone by rapidly.

Somewhere around noon I'll be started back to my self and working on the switchboard again.

The meals here have been excellent food and service remind me of the time we ate in a + such restaurant but that something is lacking, which is you sweetheart.

For dinner we had roast beef and for supper, I had one of the best meals served here, consisting of soup, steak, potatoe, pancake, salad dressing, pure apple for dessert and coffee. We also had a bowl of wine with the meal in true French custom.

Going to play some ping pong, after this letter its been a long time since I played that game last before coming here. How I'm making up for the last time.

I love you Ben
