My dearest Judy,

Today I received the gloves, which are supposed to match the sweater which your parents are sending, yet not yet received. Probably the package will arrive this or the following week.

I received your V mail letter of Nov 17th today, funny left yesterday I received your V mail letter of the 20th. I can't figure it out and I know you can't from what you were writing me, as to the puzzling mail situation.

By now you should have your fur coat to keep you warm, I'm very anxious to see how it looks and how you look in the coat.

About time your silly girl friends, Bernice and Ivie are on speaking terms. It would be much different if they just had an argument and weren't to see each other any longer.

Did you see the snap shot of Georgie with one of the neighbors kids. The little girl looks very pretty with Georgie holding her hand.

ALL MY LOVE AND BEST WISHES
