My B closed Judy,

There wasn't any mail from you today dear but I did receive another letter from Julie Wolfeld, sending you his best regards. He is still in Holland. In his letter he enclosed a snapshot of him self and he seems to be looking very good. The latest news is that Sam Scheller is now in France also exactly where I do not know.

Today was another hectic day, leaving on the go, more often than I've been in a long time. I didn't even have time to say good-bye to the family who were I ate yesterday.

All that I read about in the Stars and Stripes about the home front is the cigarette shortage. We receive one package of cigarettes a day and a tropical chocolate was all my love. Please
