Hello My Darling,

Friday
Dec 15, 1944

Received your v mail letters of Dec 3rd and 4th and regret to hear of the services almost of your grandfather I hope by the time you received his letter his condition has greatly improved. I see know reason why you shouldn't be relating to me such news, even though it isn't such pleasant news.

Darling, in fairly level ground fires can be heard for many miles. You are surprised not just a lighted cigarette in a dark room can be seen a long distance off.

When you receive the v mail getting card, I don't think you should be too much confused. If you are, don't worry about it, as it isn't very important.

Chow is now ready clear, and we are having some good meat. Nothing new has occurred recently, every thing seems to be going along smoothly.

I love you with all my heart.
Pat Ben Logan
