To My Darling Judy,

This is the beginning of a
New year and the first letter to
start the new year off ~~was~~ right.

Had a turkey dinner for
noon chow which was good.
after the dinner I went to see
today movie which was "Home
In Indiana".

For while any way I'll
probably will be seeing a show
daily after not seeing any for a
long time.

This evening I visited the
snack bar of the American Red
Cross and had some coffee and
cake. Now I'll I'm writing you
from the writing room of the
H. H. R. C.

Today, we normally would be carrying over our celebration from last night after getting up at one or two o'clock in the afternoon, but as it is I can only hope that next New Year's we will be able to really celebrate in true fashion.

Starting tomorrow I expect my day to be fully occupied, but in the evening, I still will be able to attend the movie.

I can not inform you of what I would like to be telling you darling but with a little patience you probably will know later. In the meantime don't worry as I don't think its going to be so terrible.

Good night sweetheart
all my love and kisses to you
Forever yours
Bert
