My Beloved only

Thursday
Dec 28th 1954

Today I went down to the young fellows house I mentioned to you your tertiary, and he seems to have a nice machine. This family is much different than Roberts talks in that they are Jones and Roberts talks were business simple. I'm having some of my garments was had which really do need a good cleaning.

It must be about a week now that we have been having fresh eggs daily for breakfast. It certainly it goes to be getting there of the but then of the the supply is depleted we shall not be getting them for another few months.

I don't understand the Greek situation very good but I think its terrible of what is happening there. I can't figure out this modern age world in which we people are supposed to be so intelligent.

Good night darling I love you very much and I'm always thinking of you. I am forever yours
