Hello My Darling,

Jan 4, 1945
+ victory

Rather than go to the movies today I figure I'll devote the time to writing and then hit the bed early.

Had a fairly hectic day today, though I feel kind of tired on seeing a show tonight, sorry dear but I'm unable to reveal to you my daily training and what I'm exactly doing but exactly it's nothing that I didn't have before, more or less just a review.

It's snowing again today and I believe that for the next two or three months the ground will have layers of snow.

I immensely miss not receiving any mail dear and especially from you. Perhaps, I hope that in the next couple of days mail will arrive.

all is okay dear and I hope you are guarding your health during these winter months.
