My Dearest Sweet-heart,

Thursday
Jan 11, 1945

Received your mail letter of Dec 19th today which I was delighted to get.

Glad you noticed for awhile an improvement in my vocabulary darling, the reason why I say for awhile is because lately, I haven't been referring to the dictionary as I don't seem to be able to concentrate like I did for awhile. I my self know the reason for it but its impossible to relate the reason to you. Someday perhaps I'll be able to tell you or possible you have a general idea without me telling you.

The letter I received from you today would have reached me seven days before if I was at the battery as the mail clerk marks the date he receives the letters and then forwards them.

No intentions of going to the show this evening, just go with the boys for some hot coffee and cake and then hit the bed.

Good night my darling all my loves kisses
