My Dearest Judy,

Tonight I'm going to relax, rather than go over to the cheater of ARC rooms. Right here, in the same location as my quarters is located a new and larger day room has been built and opened. There are many tables for reading, writing and a radio playing. Instead of walking all the way over to the ARC room, when I just spend the evening by writing and reading, I'm come here.

I obtained my weekly PX today which is approximately the same as last week.

The only letter I got today was a V-mail from Mike which I would have gotten a few days earlier except that it the letter was so sent elsewhere before I received it.

That about all the news for now darling, I'm in good health and hope you are fine. I miss you very much and love you with all my heart.

Have you filled in complete address at top?
