Hello My Darling,
When to the dentist this morning to have a
refilling on one of my teeth. Glad I attended
to it today for if I didn't go there today, it might
require a few weeks before I'll have another
opportunity to visit a dentist.

I was especially delighted to receive a
lovely air mail letter from you yesterday because
it probably will be a week or longer before
I start getting more letters. Doubt if I will be
able to write you tomorrow clear and possible it
will be a few days. I don't know but I will
write my next letter at the earliest possible
time. When you receive it you should understand
the reason if you now haven't a general idea
for the reason.

There wasn't any more letters for me today.
Didn't go to the movie or till but remained around
my Parash to get things straightened out.
I'm feeling okay and I hope everyone is in
good health at home. I love you tremendously
stacking and will pass on
