Hello my Darling,

Thursday
Feb 15, 1945

My mail is beginning to arrive good now as I received four mail letters from you today dated Jan 3rd 7th 8th and 9th. Sylvia's guess about home, is absolutely correct at the present time, but its apt to change often.

Saw a motion picture last night titled "Dish By mistake" which was entertaining while I'm at my present location I believe I'll be seeing motion pictures regularly as there is a building for showing the pictures. It isn't a theater but it serves the purpose for showing the movies.

Now we have a daily schedule to keep us occupied, we go out into the field for a few hours in the morning and then again in the afternoon. The work consists of going through tactical problems. Its not so bad as during the day there isn't anything else to do.

del my love kisses
